

Health Needs Assessment Workshop

Tuesday 12th December
9.30am-12.30pm
Board Room, Team View

Gateshead PCT's business planning framework now asks how a business development addresses the health needs of local people. Health Needs Assessment is a powerful planning tool that can help to answer this question. It provides evidence about a population from which to plan services and address health inequalities.

This workshop will look at the process of undertaking a health needs assessment. Participants will leave with:

- an understanding of the key elements within a health needs assessment
- an awareness of some health needs assessments carried out locally
- a framework within which to undertake their own health needs assessment
- an understanding of how health needs assessment can inform business planning

If you would like to attend, please get the approval of your line manager and complete and return the reply slip below.

I would like to attend the Health Needs Assessment Workshop on Tuesday 12th December 2006 between 9.30am and 12.30pm in the Board Room, Team View.

Name: _____ Position: _____

E-mail: _____ Tel no.: _____

My area of interest is: _____

Please return this slip via e-mail to emma.cowan@ghpct.nhs.uk or to Emma Cowan, Public Health Directorate, Gateshead PCT, Team View, 5th Avenue Business Park, Gateshead NE11 0NB
